

Thank You To All Of Zara's Angels

We are blessed and overwhelmed by the outpouring of love and support for our December Dress Down Day to benefit Zara and the Fietkiewicz family.

We want to thank each and every person who donated to our collection. Through this project, we were able to raise approx. \$3,500 and bring awareness to the needs of families dealing with b-cell acute lymphoblastic leukemia. We hope whenever you see your your angel ornament you think of Zara.

Please consider continuing to pray for Zara and her family as they navigate the challenges of the coming years of treatment.
